Bitty Jariwala

06/08/2012 – 01/07/2022

Bitty one of many names (Shein Bits pretty beautiful) and many more .You came into our lives 10 years ago you were scared and did not trust anyone the only one you trusted was your mom (by the way I am the grandma) you and I had a unique and a special bond . You brought lots of love ♥ and happiness to us all thank you . You ran the house which you still do everyone catered to you . You are one of a kind Chihuahua no other can replace you . Remember when you stole your sister bone it was the funniest thing ever what made it funny is you did not chew on bones . You were there for us thru the good times and the bad you have given us your Unconditional love ♥ as always. You love getting pet and kisses we miss you so much 😞. You left a big hole in our house and paw prints on our hearts. We will never forget you ♥. Your family mommy daddy grandma and you sister Lila 🐾 ♥.
