### Buddy Banks

02/28/2004 - 07/18/2022

Buddy was 11 years old, he was a miniature schnauzer. He was a very sweet boy and he loved being on peoples lap. Buddy had his good and bad times but we all loved him very much. He was diagnosed with arthritis last year and the pain kept getting worse and worse to the point where he couldn't do simple things without him falling over. My family had to make the hardest choice to put him down. Now his brother Jake wanders around the house looking for him because he knows his brother is gone.
