Callie Rose Wolf

02/24/2011 - 05/22/2023

Callie was a beloved service animal, She would always make sure everyone around her was laughing and smiling. Listening to her jet motorboat purr from a mile away. She loved going outside and sunbathing gaining the nickname Sun-ling. She was always making biscuits and purring a storm, she will always be one with her owner, in her heart and life. She runs in the fields now eating bugs and sunbathing for life. You are free from the suffering Callie and are at peace with God. You were loved all your life and one day we will all get to see you again. R.I.P. Callie, a very loved cat till the very end.

Furr-ever loved purring a storm and making biscuits.
