Clover Vest

12/10/2023

Clover was our special little girl in so many ways. She was so sweet, and she loved to be petted and held more than any ferret I've ever known. Everyone who met her loved her right away; she brought us so much joy just by being. And the heartache we feel in her loss is only proof of that joy, and proof of the mark she left on our hearts. It was an absolute privilege to have been able to love her, and be loved by her in return.
