## Coffee "Bean" Lawson

04/21/2017 – 04/29/2021

Our sweetest little Coffee Bean, from the day we first saw you, we knew we were going to be your forever family. The memories of your kisses, how you begged for treats and head scratches, and all the cuddles we shared will fill our hearts forever. You were our little diva, the camera hog, the queen, and you will always have a piece of our hearts. You will always be our precious baby girl. Coffee, no matter how long or far we are apart, there will always be a place for you in our family. Until we see each other again on the rainbow bridge...
