Gidget Kraemer

Gidget was a great family companion who loved to travel, go camping and be outdoors right along with her family. She was a great protector and always alerted us when someone came around the house. Gidget was a great comforter when a family member was feeling down she would snuggle and give dog kisses on the face to cheer you up. Some of her favorite games to play were fetching a ball, playing tug of war with her rope toy and playing Frisbee in the backyard.

Gidget will forever live in our hearts and memories and we are so blessed to have had as many wonderful years with her. May you rest in peace sweet girl. You will be missed! We love you.

Your loving family,

Kevin, Shelly, Karissa, Kailey, Kodie and Kaiden
