Guru Bugz Luft

6/17/2013 to 08/16/2015

Guru Bugz Luft was born on June 17th 2013 along with his three sister, who were in a kill shelter in Kentucky. They were saved by Last Paw Rescue and when we saw Guru's picture on Petfinder we couldn't resist and applied right away! We met Guru, who at that time was named Bugz because the kids said he had big eyes. Casey and I instantly fell in love with Bugz and wanted to take him home the same day. My brothers Joel and Miguel fell in love with him right away as well and couldn't stop holding him and giving him kisses.

Throughout Guru's two years and two months he had filled our hearts with so much life and love, that he instantly became our son. Guru was strong willed and stubborn like his Mommy and Daddy! He also had a lot of spunk to him that was irreplaceable and everyone loved him for that.

Guru loved to smell the flowers in Nana and Papa's backyard and take his time doing so, he would even back track to his favorites again. Guru enjoyed playing with his cousins Odie, Rosie and Violet any chance he could. He never felt imitated by the other dog's size and certainly held his own during sprints!

Guru had an instant connection with our nephew Ingram, who was almost the same age. They loved chasing each other and were glued at the hip. Guru also had a relationship with his other niece and nephew Malina and Syris after they got a bit older and out of the screaming stage, he enjoyed their company and loved to lick Syris face and clean up any food that was dropped on the floor! He always filled the house with laughter and smiles from everyone.

Now that Guru has left us for doggie heaven, he has left a paw print on our hearts forever. He will be missed and never forgotten, leaving us with treasured memories we hold dear.
