Inca Overby

12/15/2010 - 08/26/2022

Safe Hands Animal Rescue brought Inca to Minnesota from a shelter in Kentucky. I was lucky enough to have found her online, and knew right away that she was very special. She was beautiful and sweet, and she was the smartest dog I have ever met. I seemed that she understood every word I said. She loved to go for walks with her little sister Kitty and I, but her favorite thing in the world was riding in the car. I only had to say the word "car" and she would joyously spin in circles. We would drive slowly down country roads and Inca would put her head out the window. I swear she was smiling all the way. Inca was my dear companion for over 11 years. I will love and miss her always.
