## Jesse Finley

03/01/2018 – 06/02/2020

Jesse "Bestie" "Bear"- trailblazer, artist, daredevil, heartaheart rat, cuddler supreme, was reunited with his brothers Bubbles and Magellan across the rainbow bridge. Clever and loving, Jesse prided himself on making his own rules- knowing there was no spot too high to climb to, no barrier that could keep him in, no human who wouldn't want to cuddle, and no one else knew the best way to arrange paper. He was a lover of art- dying his water different colors, arranging his toys in statement pieces, and meticulously crafting his environment. Jesse never left his food uncovered, never left a spot unexplored, and was always a very clear communicator, letting you know exactly when he wanted to be picked up, put down, and given his due love.

You will be sorely missed, Handsome Bear. Rest easy. :heart:
