Additional Comments/Message About Partner	Certified with the North American Police Work Dog Association (NAPWDA). Certification entails testing on searching vehicles, buildings, luggage, and open areas/mass transit. At the most recent certification both K9 Mosely and fellow UWPD K9 Rex did an outstanding job, finding all the aids and received many compliments from the Master Trainers. A few of the Master Trainers said that we were the best team there out of 24 dogs present. K9 Mosely was also selected for advanced training and certification by the ATF, and FBI K9 programs.
