Career Highlights	<p>Odin is one of only a few K9's in the nation to have found a live explosive device during a deployment. The device, capable of exploding and causing injury or death was located and disabled prior to detonation. Odin was certified for all seven years of his career through the North American Police Work Dog Association and the ATF National Odor Recognition Test.</p>
Additional Comments/Message About Partner	<p>Odin was a phenomenal partner throughout his seven-year career. He was always ready to work, full of energy, and had an infectious personality. He is dearly missed by his work and home families.</p>
