Kiddie Malone Slobersnaught

03/12/2019 - 12/10/2023

Kiddie was "the best boy ever!" He lived like a king and we took him everywhere with us. His life was cut short when he was diagnosed with lymphoma at just 4.75 years old. We thought we gave him a good life, but truly, he gave that to us. He wasn't a "dog." He was our best friend, our confidant, our therapy, our baby boy, our "best boy ever" ...I know just the love we have for him so imagining his love for us is absolutely impossible. We just wish we could have had all the years ahead that he should have been here for. Why he was chosen, we will never know.
