### King Steele

(May 11, 2012 - August 9, 2017)

King Steele our beloved vizsla passed away at home surrounded by his loving family. Having succumb to the lymphoma that took his life but not his spirit. It is that spirit and unconditional love that we now hold fast. He was with us for such a short time but has brought us all so much happiness and love.

King was a graduate of the backyard ball retrieving academy achieving Doggie Couma laude. He was working on his Masters in butt sniffing at the Prairie Moraine County Dog Park near Verona Wisconsin. His passions were for fun times, long walks, and good naps.

He is survived by his family Sheila, Carl, Connor, Griffin, Shawn, Hannah, Machesney, and Friday. A memorial service for King will be held in early October when more of King's family can attend.

We will hold King's loving spirit in our hearts forever.
