Lexie Lewin

06/14/2008 – 03/22/2020

Lexie was our very first (fur) baby, and only baby for many years. She was best dog any family could have asked for. She was always at the front door to greet family and friends with a handshake. She had 3 human siblings at home, which she loved to play catch with, chase them around the yard, and clean up after them at dinner time. She loved to cuddle with mom and dad every opportunity she had. The one thing she loved most was to be petted, once you started she would not let you stop, she put her nose under your hand to make you keep going! Our Lexie girl will be so missed and we will always have a special place in our heart for her.
