Lily Bullman

11/20/2001 – 07/18/2018

One of the saddest moments is when one who gave you the best memories becomes a memory. It is a fearful thing to love what death can touch. You were part mischief but all blessing. I'm so grateful and was so blessed for the time we had together. There will always be a part of our hearts that smiles when we think of you. We miss you and love you, Lily.
