Lucy "LuLu" Zonzo

06/09/2016 – 01/20/2021

To our buddy our little girl. LuLu. Thanks for the years of happy memories and for loving us back through the good times and the bad !!!.. You were more than just a rabbit you were our family member. Lucy loved to run around the room and play with her best buddy Max the dog who misses her already. My best memories are Lucy playing with Max's tail when he was not paying attention and every time Max begged for a treat so would Lucy. The think I already miss the most was her greeting me every morning and every day when I came home from a long day at work. You helped get me through many long days and I will forever have you in my heart. You life was short but memorable and filled with love. You have now been called back home over the rainbow bridge and someday we will all be together again !!

Love Bill ,Billy and Max
