Maggie Griffey

My sweet Maggie just turned 6. She and I fought her kidney failure for over one short year. She was a sweet gentle girl that enjoyed running with a toy in her mouth and resting her head in your lap for some good head rubs. She was a stoic girl ;never complained or whimpered. How I miss her so. How I miss calling her name out loud. We will see each other again when my time here on earth ends too.
