Mishka Erdman

08/15/2015 – 06/17/2021

What can I say about this fun loving dog. Mishka lived a full life of adventure, excitement, and loved being next to her mother. Mishka and her mommy did a lot of travelling together. She loved waiting under the bed, while everyone was trying to get into bed at night and liked attacking everyone's feet. She was 1 sibling of 4. She was also known as the FUN POLICE. Whenever her other siblings were having fun, Mishka was there to make sure everyone no one was having fun. We also had an ongoing joke that she could never handle her "LICKER." She will be sorely missed. Mishka you make sure you keep your sister Kenzi in check up in doggy heaven, and may you watch over us. We love you forever and ever.
