Murphy Leny

01/08/2022

Our beloved dalmatian, Murphy, passed away January 8, 2022, surrounded by his human family. After battling a series of multiple grand mal seizures, Murphy was finally given the relief he needed to step across the rainbow bridge. We will miss him dearly, but we know he will no longer be suffering and can finally rest.

Murphy came into our lives through foster care. His immediate bond with our female, Maya, resulted in a foster failure --- an unexpected yet perfect pairing between the two. They were inseparable. He had a special bond with Jennifer since the initial meeting and ultimately, became her late night study partner.

Murphy loved his family more than anything but would turn his nose up at any strange human or dog...or airplane that crossed his path.

Murphy loved car rides and belly rubs. He was especially proud of his "roll overs". He spent some of his last days at his favorite kennel with his life partner, Maya. Murphy had a predilection for pens, pencils, credit cards and work IDs.

Murphy is survived by his human mother, father, sister, brother, as well as canine life partner, Maya, and feline siblings, Tagore and Nala. In lieu of flowers, the family is asking for humans to give their pets a kiss and to tell them HOW MUCH they are loved.
