### Nina Pliska

Nina,

We are going to miss you so much! We are going to miss your soft heart, loving smiles, your stubborn ways, how you chew your bone, and go to bed....We love you so much Nina and will always remember you and celebrate your life and the memories you made for us! We love you Nina!

Nina was truly a gentle dog. We loved the way she would snuggle up close to you making her presence known so you would continue to pet her head. If you would stop, she would get her head under your arm and keep nudging until you pet her again. She was such a friendly dog - we will miss her. Grandpa Bob was her go-to-guy when he would visit the Evansville Pliska's. Our hearts go out to Niki & Scott & kids.
