Peanut Butter Ricci

02/08/2020

If all the tears I cry in a day would bring you back in a day, then I would have no tears left in my body from how much I would cry. I miss you very much, but it puts me to ease that you are not in pain anymore. For that is what matters most. But if you have this superpower, please use it. Come visit me again. But come back healthy this time. :)

And no matter how many other bunnies I get, I will never forget you.
