Phoebe Kienitz

09/13/2021

On 9.13.2021 with big hearts and water filled eyes we said Good Bye to Phoebe. As her time has come what seems so short she lived a extraordinary filled life of many years. Filled with fishing, Boating, Camping, Scampering off to the camping neighbors for treats, to her loud snores during nap time, cuddles, to growing old with her humans and lets not forget the pampered spa days at the doggie salon. Phoebe is a Breast Cancer Survivor 🐾 Phoebe was loved by many over her life time. She is survived by her fur brother Harley and Feather brother Theodore. You will forever be missed Phoebe
Until we meet at the Rainbow 🌈 Bridge
We Love You and Will Miss You
