In Loving Memory of Ramona

March 18, 2024, marked the passing of a beloved member of our family, Ramona aka Tweets. With heavy hearts, we bid farewell to our sweet feline friend who brought us so much joy and warmth into our lives every day.

Whether basking in the sunlight streaming through the window or curling up on a cozy blanket on her favorite cat tree podium, Ramona had a knack for finding peace in every moment. She sometimes even allowed her dog brother Murray to share the sun spots with her.

She would sit by the window, watching birds flit by or observing the comings and goings of the neighborhood with keen interest. She also enjoyed stretching each morning with her dad and helping him learn veterinary medicine while sometimes soaking up the information by sitting directly on his warm laptop. She loved greeting her mother at the door everytime she came home from work and when she wasn't there it was clear her dad locked her in the closet again or was still hiding from the scary thunderstorms.

Although Ramona may no longer be with us in physical form, her memory will live on in our hearts forever. We take solace in knowing that she is now making biscuits in kitty heaven and indulging in endless temptations treats, catnip, and bananas- her favorite treats.

Rest in peace, dear Ramona. You will always be loved and remembered.

With heartfelt sorrow,
Megan, Spencer, Murray and Family
