## Sadie Lynn Nagel

08/23/2017 – 02/24/2022

Our beloved Sadie passed away surrounded by her human Mom, Dad and litter mate brother Louie. Sadie was given the relief she deserved after a brave brave battle with her health. We will forever miss her dearly.

Sadie came into our lives from a wonderful rescue who saved her life along with 7 other siblings from a horrible back yard breeder / puppy mill situation. She never met a human she didn't love and want to shower them with kisses, whether they wanted them or not.

Sadie did a lot of living in her 4 short years with us. She loved car rides, rafting, kayaking, yearly trips to the beach house on the Gulf, running and playing with her brother Lou, chasing rabbits, squirrels and birds out of her yard and just sleeping under her Dad's pillow every night. She was a 13 lb Scottie. Although in her mind she was 130 lbs. Our hearts are broken but we are forever grateful for all the memories, unconditional love and comfort she gave us.

We are also so very thankful to the University Of Wisconsin School of Veterinary Medicine for all the excellent care and love they provided during such a difficult time. In memory of our dear Sadie Girl we ask for donations to Paws 2 Love Rescue where we were lucky enough to be chosen to adopt our sweet girl. They go above and beyond to save dogs from deplorable conditions and give them the life they all deserve. Not only do they rescue but they also assist fellow rescue groups, help with transportation, fostering and home visits. Their Facebook Page is The Forgotten To The Loved - Paws to Love Rescue. If you are able please make a donation in Sadie's name via Pay Pal to [Paws-2-Love@yahoo.com](mailto:Paws-2-Love@yahoo.com)
