### Spencer

Spencer or Spensaur, wasn't just 50% dog. He was also 50% squirrel and 50% parrot. He always gave 150% of himself and he did it well. And he did it well, such the Alpha Chihuahua that he was he never let anyone, or any dog push him around. His indomitable spirit was only surpassed by his personality and he made an impression on everyone he met. In the beginning he wasn't the dog that I wanted but he became the friend that I needed. If there was ever a first mate in the adventure that has been my life, it was Spencer. And I wish you safe travels on your next great adventure my friend. May the winds always be to your back, and your spirit free.
