### Teddy Popowski

03/11/2006 – 02/25/2020

Teddy is in heaven today February 25,2020

Today I released my beloved friend and companion of almost 14 years back to his Creator. I feel so blessed that Teddy and I could share so many many happy and joyful times and I am proud to be his dog mom. He indeed is my angel sent by God to teach me to love. That even included a miracle rescue on the river.

While my heart is aching I am nevertheless profoundly grateful for the "loan" of this special Labradoodle and his joie de vivre. But most of all I shall miss his soft curly chocolate coat, my teddy bear, and his big beautiful brown eyes that sometimes seemed to pierce deep into my soul. Go now Teddy. Run and jump and swim and eat lots of liver sausage forever my dear sweet boy. But wait for me. I love you so much. Your proud and loving Dog Mom
