## **Teddy Schultz**

On December 23, 2014, we tearfully said "I love you" to Our Sweet Boy Teddy for the last time. He came into our home at 7 months old after being abandoned. He had the biggest, loving heart ever and spent 15 years with us in California and then Wisconsin. Mr. Houdini he was... He could escape from just about anything meant to contain him, just to be with his people. Teddy - give my love to Sadie, and you two stay out of trouble. I'll see you later when it's my time to cross the Rainbow Bridge. Tons of Puppy Kisses my sweet boy.
