Winter Frommherz

Winter Frommherz
12-20-05 to 1-13-16

We adopted Winter into our lives in Feb. 2006 when we lived in Kentucky. He has been such a faithful companion and furry member of our family for the past 10 years. His absence is felt every time the door bell rings or crumbs drop on the floor or that last potty break before bedtime. Now who will protect the family from the squirrels that run through the yard or the suspicious looking mailman? I know that we'll meet again at the Rainbow Bridge. I am glad that his spirit is running free with no more pain. The paw prints that you left on our hearts will always remind us of you. We love you, we miss you, Winter.

Always,
Alexa & Ryan Frommherz
