Zulu Pelayo

I love you so much Zulu Bear. You were my best friend for 10 years and went through my important life moments with me. I'll never forget how you were there for me through the hardest moments in high school or how you knew I was in labor with Luca and we shared that special moment before I went in. Your brothers and I miss you immensely. I love you so much and I know we have family in heaven taking care of you until we meet again.
